---

## Skills

I am a hard worker and devote myself fully to any job that I take on. My goal is to contribute as much as I can to the workplace and work very well with the rest of my team members.

## Education

**University of California, Merced** - *Bachelor Degree*

2019 - present

5200 North Lake Road, Merced CA 95343    GPA: 3.7/4.0

## Volunteering

**Santa Monica Public Library, Santa Monica**

August 2016 - August 2019

- Participated in a tech program to teach others about 3D Printing and assisted in seminars
- Took part in helping librarians with daily activities
- Participated in a library club that involved hosting activities for families and members of the community.

## Research Experience

**The Social and Health Psychology Applied Behavioral Research for Prevention and Promotion Lab | UC Merced**

Fall 2020 - present

Undergraduate Research Assistant

- Role is to aid graduate students on research projects on specific topics

## Research Interests

I am passionate about learning more on stress and the impact it has on students, mental illnesses, new ways on how to treat them, and the stigma around them, as well as studying child development.
